Dear Kristi:

On behalf of Toys for Tots, we would like to thank you for working with us during the 2009 Toys for Tots campaign. Through the warmth and generosity of businesses, community organizations, individuals, and others like you, enough toys were provided to make the wishes of impoverished area children come true.

We know that gifts are not the true meaning of Christmas, but the joy that a simple toy brings to a child who thought they would be forgotten, the comfort it gives to parents who feel guilt and shame over not being able to provide and the joining of helping hands in our community taking action to make a difference in the lives of others does reflect the hope that Christmas means to all of us.

With the help of contributions from supporters such as you, we will continue to see the difference a simple toy can make in a child's life and the effect that communities working together can have. The outcome is hope for a better future in the lives of those less fortunate.

Thanks again for your generous support. We look forward to joining with you again next year as we continue the Toys for Tots tradition.

Best wishes,

Garrett and Carole Nemeč
